MASTERBRITE

Heavy Duty Acid Trailer Cleaner & Brightener

**REORDER CODE:
1010**

WHAT IS MASTERBRITE?

An ultra powerful fluoride based aluminum trailer cleaner for removal of road films, diesel smoke, iron oxide and white rust in just seconds. Restore the like new appearance to aluminum trailer in seconds. This product is effective when used in a two step trailer wash. For best results, follow the acid wash with either Magic or Supreme. Will leave trailers looking new.

BENEFITS:

- Formulated for the professional truck wash & cleaning contractors.
- Removes dirt and stains from heavily soiled trailers as well as highly weathered vehicles.
- Revolutionary cleaning process indicates when surface has been neutralized.
- Allows for multiple usage concentrations.
- Quick & easy rinsing.
- A great product for use as a single step or 2 step system.
- Lower levels of fluoride than conventional acid trailer cleaners.
