LUSTRA

Premium One Step Fleet & Truck Wash

**REORDER CODE:
1073**

WHAT IS LUSTRA?

A Liquid deep penetrating one step premium detergent that will remove heavy dirt and road film from painted and polished aluminum surfaces. Will promote oxidation removal while leaving a sheen on the vehicles surface. This product is ideal for truck wash operators who are looking for a product that is both heavy duty and will not in any way harm polished aluminum. This amazing product contains special wetting agents for increased shine and protection. Leaves vehicle with a "like new" shine with beading.

BENEFITS:

- Versatile enough for both car and truck wash systems.
- Formulated for the cleaning professional in most manual and automated truck wash systems.
- Special quick rinsing formula that allows for quick turnover of customers.
- Great for use on white surfaces.
- Safe for use on all surfaces including polished aluminum.
- Quick & easy rinsing.
- After drying vehicle will be spot free.
