

**THIS BIG RIG IS  
DIESEL-POWERED!**

# FURY 2400 DTL/DHTL

**Vacuum System and  
Hot High-Pressure  
Cleaning System in  
One Complete Package!**

Steel Eagle brings you a powerful diesel-driven unit that can be run independently as a vacuum unit, or as a hot high-pressure washer (with the diesel-fired water heater featured on the back page) ... OR both can be used together for the **ultimate cleaning package ... a system that recovers 98% of the water it uses!**

**Unit is capable of cleaning and water recovery out to 600 feet from the machine.**

2400 DTL shown.

## STANDARD FEATURES

- High-Efficiency Vacuum Pump and Gauge
- High Vacuum Protection with Engine Shutdown
- Clutch-Driven High-Pressure Pump w/Trigger Gun Control
- Automatic Waste Water Pump-Out
- Pressure Relief Valve
- Waste Collection Bag Filter
- Heavy-Duty Frame w/Insulated Panels for Noise Reduction
- High-Pressure Soap System
- Emergency Stop Button
- Durable Powder-Coat Paint
- Hour Meter
- Electric Start
- 50-foot Vacuum Hose
- 4 Removable Panels for Easy Service Access
- Ampere Gauge
- Oil Pressure Gauge
- Forklift Pockets for Easy Manuevering
- Powerful 50HP Diesel Engine
- 4 Insulated Panels for Noise Suppression and Quiet Operation
- Plug-in Adapter for Optional Water Heater
- **ONE-YEAR WARRANTY**
